Communications Chair Report

Chelsea Foote, LCSW

- Committee – Beth Page and Amy Roberts
- Notes from the last board meeting were uploaded on the Membership Dashboard, under Board Member forums
 - Please make sure I get all reports from this meeting
- Constant Contact
 - Good open rate on all emails/notifications sent out
 - Conference Registration
 - Using a credit card vs. PayPal appeared to be much preferred
 - Issues registering using Internet Explorer instead of Google Chrome
 - Would not allow the registration to go through
- Next year set a communications plan/schedule in terms of when posts should go out on Constant Contact, so they can be pre-planned
- Newsletter will go out in November and be the last for this year
 - The conference will be highlighted, along with new board positions
 - Award winners will also be recognized in the upcoming newsletter
