***Why invest in the Florida Society of Oncology Social Workers***

In addition to its longstanding reputation of excellence in continuing education for oncology social workers, the annual FSOSW conference also provides a premier showcase for non-profit, for-profit and individuals committed to providing “exceptional” services to individuals and families. We are also committed to pursuing “best practice” in the field of oncology including cancer centers; outpatient, infusion, and radiation clinics; hospice programs, private group practices, skilled nursing, and rehabilitation centers. We are dedicated to advancing oncology social work practice and advancing new opportunities to join with those organizations that are like minded.

Please join us as we “Embrace the Passion of Oncology Social Work” and celebrate our 40<sup>th</sup> year by supporting our conference.
